EDUCATION

Year	Degree	Institute/ School
2027	4Year B.Tech.	IIT Kharagpur
2023	Higher Secondary - XII	West Bengal Council of Higher Secondary Education
2021	Secondary – X	West Bengal Board of Secondary Education

WORK EXPERIENCE

- PM Ready | AI Agent Development & Product Analysis** [Nov 2025 - Jan 2026]
- Built **AI agent** automating **Google Form responses** triggering **email Telegram** alerts and **Trello** card creation
 - Integrated **Gemini API** to classify feedback sentiment & automate identification of **positive and negative responses**
 - Analyzed **Lovable AI** user feedback and **competitor landscape** to identify product gaps and proposed improvements
- Cantilever Labs | Product Management Intern** [Apr 2025 - May 2025]
- Conducted thorough competitor and user research to design 7+ customized course modules for diverse user personas
 - Improved user engagement by **1.5x** in one month by revamping the course journey and launching lead magnet pages
 - Redesigned onboarding for **50,000 users** and developed automated course recommendations using user insights
- InvestMates | Product Management Intern** [Jan 2025 – Mar 2025]
- Managed user stories, **wireframing**, and **PRD** for **4+** new features, aligning with user needs and business goals
 - Conducted market research and competitor analysis on more than **10 products**, presenting findings to stakeholders
 - Designed a reward system for **25,000+** users and planned community analytics for influencer campaign tracking
- Analysing Telemedicine Platforms for Primary Healthcare | Prof. Shaili Singh, VGSOM** [May 2025 – Jun 2025]
- Crafted and deployed surveys to gather user feedback on **telemedicine UX**, accessibility, and onboarding friction
 - Leveraged **Python** to segment users, visualize trends and compute robust **adoption metrics** for telehealth solutions
 - Performed **data analysis** to validate **product-market fit** and identify areas for telemedicine feature improvement
- Seekfactory | Business Development Intern | Remote** [Dec 2025 – Present]
- Researched industrial machinery and sourced supplier data globally to support **cross-border import** operations
 - Managed **product onboarding**, **catalog structuring**, improving website accuracy, accessibility, product listing
 - Assisted business development through vendor sourcing, **pricing analysis**, **supply-side expansion** with co-founder

CASE COMPETITION

- Anveshan Startup Challenge 1.0 | IIM Indore** [Jun 2025]
- BioLoop –IoT-enabled Circular Product for Urban Waste-to-Energy Conversion*
- Conceptualized a decentralized, **IoT-based system** for urban food waste-to-energy using **circular economy** approach
 - Designed modular biogas prototype targeting **20-200 household** clusters, optimizing for urban residential applicability
 - Projected annual conversion of **12,000+ kg** waste, with **6.2 tons of CO2** savings and strong revenue potential
- The Big Brand Theory | Indian Institute of Technology BHU** [May 2025]
- Evaluated market trends, **benchmarked key competitors**, and extracted customer insights using structured **SWOT**
 - Defined user personas, identified friction points, and formulated targeted strategies to improve **product-market fit**
 - Adapted **brand messaging**, shaped cultural themes, enhanced regional engagement through vernacular integration
- Axis Bank Growth Challenge | Chief Strategy Officer Case Competition** [May 2025]
- Designed **phygital** rural banking ecosystem to capture underserved markets and establish **ESG** leadership nationwide
 - Proposed tech-enabled financial platform targeting **10 million** customers & **₹15k Crore** sustainable livelihood loan
 - Created strategy integrating **vernacular super-app**, AI literacy tools & rural marketplace for economic empowerment

POSITION OF RESPONSIBILITY

- Core Team Head | Technology Mining Engineering Society | IIT Kharagpur** [Aug 2025 - Present]
- Contributed to society operations, **coordinated publicity**, and promoted events through communication strategies
 - Optimized website user experience; supported seminars, workshops, and **outreach initiatives** to spread awareness
 - Organized **Great Step 2026** fest with **1000+** registrations, **12** events, and managed over **7 lakh** sponsorship amount
- Socio-Cultural Secretary | Sarojini Naidu/Indira Gandhi Hall of Residence | IIT Kharagpur** [Jul 2024 - Apr 2025]
- Oversaw socio-cultural events for **350+ students**, encouraging inclusive inter-hall participation and engagement
 - Managed Stage Play, Rangoli, Elocution; screened participants, ensured fairness and readiness for competitions
 - Mentored a **20+ member Stage Play** team; proactively coordinated execution of successful cultural and artistic events

SKILLS & EXPERTISE

- Product Management:** Product Strategy | Product Design | User Research | Competitor, Market & Product Analysis | PRD (Product Requirement Documentation) | Wireframing
- Languages & Libraries:** SQL | Python | C/C++ | HTML | CSS | JS
- Software & Tools:** MySQL | VS Code | MS PowerPoint | Canva | MS Excel | MS Office | Figma
- Soft Skills:** Cross-functional Team Management | Strategic Analytical Thinking | Leadership | Adaptability | Prioritization

EXTRA-CURRICULAR ACTIVITIES

- Leadership:** Led **33 students** as **NSS Unit Leader**; managed outreach events, social campaigns, and volunteering initiatives
- Cultural:** Coordinated the creation of **5,000+ lamps** and assembled large-scale structures for **illumination** 2023 and 2024 festivals
